

Otsego Athletic Boosters

Dear Reserved Seat Patron,

Before we know if the football preseason will be in full swing. Players will be conditioning and practicing. Coaches will be working on plays and strategy. Cheerleaders will be learning new ways at camp to cheer on our great athletes.

The Otsego Athletic Boosters would like to thank you for your past support by purchasing reserved seats. As it has been our policy in the past, we are offering last year's reserved seat patrons the first opportunity to renew their seats for the upcoming season.

Renewals for your seats will be accepted from June 10th thru June 30th. Any non-renewed seats and unpaid football seats will be offered for purchase by other Knight fans beginning July 1st.

Please complete the bottom portion of this letter, and send along with your payment in the enclosed envelope. The cost of a reserved seat remains at only \$10 per seat.

Unless you inform me otherwise, you will be assigned to same seat(s) as last year. If you have any questions, please do not hesitate to contact me.
